Education Campus

Rediscover Endless Possibilities at Emery Education Campus

Matthew G. Emery Education Campus believes that the **most important member of the educational process is the learner**, around whom all resources and activities must be centered.

The Emery campus offers programs **for students age 3 through 8th grade**, including preschool, prekindergarten, and Head Start.

Emery prides itself on a **rigorous instructional program** for all students.

**“Emery is a good school.
We learn a lot!”**

– Armani Dugger, 7th Grader

Challenging the Status Quo

Emery is a **Science, Technology, Engineering, and Mathematics (STEM)** school with advanced course offerings. Because of the school’s competitive nature and advanced curriculum it was recognized as a Beating the Odds school and was featured on News Hour with Jim Lehrer.

- **100%** of Emery teachers are state-certified.
- **10:1** student/teacher ratio ensures attention for each student.
- Emery now offers **Algebra and Talented and Gifted (TAG)** options for advanced students.
- Emery students have demonstrated strong academic performance by making **Adequate Yearly Progress (AYP)** in the 2007-08 school year.
- The computer lab, comprehensive library, and interactive parent center provides numerous resources for our students’ education.
- Emery encourages **active parent involvement** and has a **parent-teacher organization**.

Learning Outside the Box

Emery believes that education doesn’t happen solely in the classroom. Emery is proud of its robust partnerships with various **companies and organizations around the city**.

Emery partnerships include XM Radio, Navy Yard, Special Olympics, Epstein Becker and Green Esq., Giant, Safeway, and the embassies of Switzerland and Sudan.

Emery also offers **sports, clubs, an active student government, and academic intervention** after school to engage students in academic and extracurricular activities.

Every morning during a **school-wide meeting** students recite their creed and staff members respond with their staff motto.

Student Creed-My heritage is one of greatness, but I know that I can do more; I must never do less than those who came before. What my mind can conceive and my heart can believe, I Can Achieve!

Staff Motto-We educate each child as if they were our own!

“DCPS has received significant resources over the last two years, enabling us to improve the quality of each and every school. You will find modernized facilities, committed teachers, and comprehensive course offerings, including music, art and technology. With many excellent schools to choose from, we encourage all families to seriously consider DCPS as a good option for their children.”

– Chancellor Michelle Rhee
